The GPS PTO wants to thank everyone who supported our **Dunk Mr. Lazar event**. The students had a great time watching Mr. Lazar get wet and especially getting wet themselves as he squirted them with a water gun occasionally. This has been a great fundraiser for our school each year but only with your support. THANK YOU!

Dear Parents,

I would like to thank you all for supporting the **art program** this year by using Artsonia. Through Artsonia, we have raised over \$700 this year. If you have not signed up for Artsonia, it is an online program I have been using for a couple of years to publish student artwork into a digital folder that can be available online. Family members can view, share, and even purchase items with their student's artwork on it. The program not only provides funds for much needed supplies, but also creates confidence and a love for art with your children. If you have not signed up, please contact me by email and I can get you the information you need to do so.

I will be reassigned to a regular classroom for the 2018-2019 school year and will not be able to continue using the program. However, I would like to encourage you all to continue using it. You can download your student's artwork to continue documenting their art or just look back to see work they have created over the last few years.

I hope you all have a great summer and continue to create great art all year long!

Creatively yours,
Hope J. Swinney hswinney@camden.k12.nc.us

The Box Top contest winners for our last Box Top contest are

- Mrs. Hassell – Kindergarten**
- Mrs. Black – First Grade**
- Mrs. Sawyer – Second Grade**
- Mrs. Meads – Third Grade**

Each class was given an ice cream treat as a reward for their efforts.

Register your child for 2018-2019.

Any parent who has a child eligible to enter **Kindergarten** in the fall needs to register that child at GPS as soon as possible. You can contact the school for needed documents to register your child.

Also if you know of any family moving into Camden County during the summer with school aged children, please inform them that they need to **register their child or children** at the appropriate school as soon as possible so our schools can plan for the number of students who will be attending each school. Thanks.

The 2017-2018 school year has been another great school year for GPS. Mr. Lazar and Mrs. Byrum would like to thank our Grandy Primary family for another wonderful year of working together. **We believe the best is yet to come.**

STUDENTS: Please be sure to enjoy your summer safely and don't lose any ground on being ready for the 2018-2019 school year whether it be here or at CIS. Continue to read for 15 minutes each day and work on your basic math facts to stay prepared. We are looking forward to welcoming those of you who will be returning to GPS in August and excited for those of you who will be moving on to CIS. **Have a great and enjoyable summer!!**

The **GPS PTO** would like to again **thank everyone** who volunteered in any way this year to assist us with events. Without you we could not do the things we sponsor for our school and students. Please continue to support us during the 2018-2019 school year in any way that you can. We greatly appreciate your support. You can check out our GPS PTO Facebook page for information over the summer. You can also contact us with questions, concerns, or information through our email. **We hope everyone has a safe and relaxing summer and we are looking forward to working with everyone next year.**

PARENTS:

Please remember to clear your **cafeteria account** if you have not done so at this time.

Any **pictures** that have not been paid for or returned must be taken care of immediately.

Any student that has a **library book outstanding** must return the book or pay for it before the account is cleared for that student to be allowed to check out a library book next school year. Past due notices were sent home with students this week.
