Important

ATTENTION PARENTS:

Please remember to check on your child's cafeteria account to be sure it is not in the negative. We only have one week left in school for this year and we need to clear each child's account to a zero or positive balance. If there is a positive balance, it will carry over until next year. **Any negative balance must be cleared before the end of the school year.** We appreciate your cooperation with this matter.

The remaining items in our **Lost and Found** will be donated to a local charity. Please have your child check this section for missing items. You may also check this section for your child's missing items if you are in the building. Thank you.

If your child has **medicine in the nurse's office**, please pick it up by the last day of the school.

Thanks

Thanks to everyone who volunteered to proctor for our EOG testing this week. We appreciate it greatly. Also thanks to those who came out and helped write the words of encouragement on the sidewalks prior to the testing.
