

Supply Lists for Grandy Primary School 2020-2021

With the unusual start of the upcoming school year, we would like to be able to provide as much assistance as possible. With that being said, we are working with our GPS PTO to purchase as much of the school supplies that your students will need for face to face (in school) learning. Our starter lists include the school supplies most commonly requested by our Grandy Primary teachers. Below you will find 4 lists;

***Items that GPS and our PTO have purchased for face to face learning at school under plan B.**

#2 pencils, boxes of 24 crayons, composition notebooks, yellow highlighters, glue sticks block erasers, pencil cap erasers, student scissors, hand held pencil sharpeners and black Dry erase pens for each face to face student. Teachers will have quantities of these items to provide backups throughout the first semester. The supplies will be in Gallon Bags, labeled with the student's name, in their homerooms on their first day of face to face learning.

****Items that you will need to send with your child for his/her own personal use at school for face to face learning under plan B.**

1 pencil pouch
1 pencil box
1 lunch box
1 book bag (Without Wheels)
1 Pair of Computer Headphones (NOT earbuds)

*****Items that your student needs for at home remote learning for BOTH plan B & plan C.**

#2 pencils
1 box of 24 crayons
Composition notebook
Yellow highlighters
Glue sticks
block eraser, Cap erasers
Student scissors
Pencil sharpener
Computer Headphones (NOT earbuds)

******Optional Items for Donation to the School/Classroom, ongoing, as availability for many of these sanitation items increases.**
