First Grade – 11:00 to 1:00

June 2nd Second Grade – 8:00 to 10:00

2nd and 3rd grade remote students, please bring in your device on June 2nd.

The PTO would like to thank the teachers and **especially the P.E. teachers** for all their work to make the field days for our students a great day. The weather was great (little warm on Tuesday but cooler on Thursday) but everyone had a good time both days. We greatly appreciate their time and effort to show our students a good time. The students always look forward to field day.

Our **Fun Run pledge/donation event** is going on now. Please remember **you must register your child so the pledges/donations they receive can be posted to him/her**. If you have not done so, please register your child now at **funrun.com**. The actual Fun Run event days will be next Thursday, **May 13th for Kindergarten and first grade** and next **Friday, May 14th for second and third grades**.

Mrs. Rachid would like to thank everyone who supported our **virtual Spring Book Fair**. **We had a total sales of \$1,866.19**. She realizes it was not the same as having the Book Fair in the Media Center, but she is hoping that the Fall Book Fair will be back in the school Media Center.

Please remember that all library books that are checked out to students must be returned to school no later than June 4th. Thank you for your cooperation.

The **PTO would like to thank** all the students and parents for recognizing and thanking our teachers and assistants for their dedication to the education of our students during this Teacher Appreciation Week. We truly appreciate everything the teaching staff at GPS has done this year to make our students feel they are loved and supported with the unusual circumstances we have been through this year.
